LIFE GROUPS - SUNDAYS 5:30-6:30 p.m.

Life Groups are committed groups of students of the same age and gender who study together and hold each other accountable. Each LG meeting will have dinner and prayer while looking into God's Word & our lives together. **Cost is \$10** for the semester to help offset meals. (If you invite friends, they don't need to pay \$10 their first time. As we continue to meet, they may choose to pay.)

THE WAY - SUNDAYS 6:30-8:00 p.m.

The Way is the best spot for all MS and HS students, and any night is a great night to join for the first or 50th time! Games, student-led worship, and relevant teaching make The Way a spot to connect to Jesus and develop a support system to follow Him forever. This semester is all about **RELATE**. How do we as Jesus people **relate** to a world that is so different than Jesus? We'll talk about Friends, Dating, Parents, Siblings, social media, & more!
